

MEETING MINUTES – FEBRUARY 6, 2023

President Eric Rowe called the meeting to order at 11:03 AM in the Student Activities Room of the high school. Eight association members attended, as did Dr. Matt Conrad, SAHS Principal.

Minutes - January 9, 2023: Minutes were approved as presented.

Treasurer's Report: Kim Soper reported the following account balances: Checking, \$20,927.62; Seals Legacy Fund, \$11,328.55. Lowell Leitzel made a motion, seconded by Dennis Wolfe, that we transfer \$15,000 from the checking account to the Seals Legacy Fund. The motion passed.

Membership: We had one new member join in January.

Administrative Updates:

1. **High School:** Dr. Conrad reported that SAHS hosted the Technology Students Association Region 6 competition on February 4. As of our meeting date, the outcomes were not available. Our SUN Tech students competed in the District Skills USA competition, with five earning first place, two earning second place and two earning third place. We will host the Agriculture Science FFA competition on February 14.
2. **District:** Dr. Conrad reported on behalf of Dr. Jankowski, who was unable to attend. The softball scoreboard at the Broad Street field is in need of upgrades or replacement. The SAHS musical production will be "The Little Mermaid" and will include four performances on March 16-19. Online ticket purchase will be required.

Association Activities:

1. 2022 Golf Tournament proceeds - One possibility would be to help the upgrade/replacement of the softball scoreboard. Other ideas will be forthcoming.
2. Alumni Banquet - The scheduled date is Saturday, November 4, with the theme of "The Performing Arts." Use of the high school cafeteria has been approved. Eric suggested that we consider moving the event to the middle school auditorium and having an evening program of performances by SAHS alums. In that case we would not have the banquet meal. Further discussion on this suggestion will take place at our next meeting.
3. Disc Golf Tournament - We had a group phone conversation with Emily Dale to finalize plans for this February 25 event. So far 61 players have registered for the 80 playing slots. She has received three hole sponsorships online, and Eric has received \$195 in hole sponsorships as well. Raffle prizes are being collected, including a disc golf bag. Eric will provide water and energy bars. Association member help is needed for check-in and promoting the raffle. Players will bring their own lunches.
4. Sports Hall of Fame - Dave Hess reported that several nominations have been received. The committee will meet on February 7 to determine how many will be in the initial induction class, as well as to plan the banquet. Proceeds from the banquet will come to the Alumni Association. Plaques are being designed.
5. Alumni Association presentation for graduating seniors: Dr. Jankowski had suggested to Eric that we promote our association among the upcoming graduates with a short presentation during "Senior Week." Dr. Conrad will work with Eric to determine how feasible this will be.

New Business:

1. Website/Facebook - Kim Soper reminded the group that she updates the association Facebook page and needs information in order to do so. She also indicated that the association website is out-of-date, with several information items missing. She will follow up with Sire Advertising to get things updated.

Next meeting: Monday, March 6, at 11:00 am at the high school.

Respectfully submitted,

Lowell Leitzel, Secretary
