Association Activities:

a. **Distinguished Alumni:** Members present were encouraged to take Banquet tickets to sell; $20 for members and $25 for non-members. They were also encouraged to prepare and bring a basket for the drawing to be used as a fundraiser.
b. **Memorabilia Display Case:** Installation of cabinetry was discussed. Keth Musser had two questions: 1) Will the cabinetry have lighting? (the answer was yes), and 2) Can he schedule to install it on a weekend or sometime when the students are not in school? (Dr. Conrad will be working with him to schedule the installation for some time over Thanksgiving break).
c. **Athletic HOF Report:** Nominations are now open and their next meeting will be in November.
d. **2026 Golf Tournament:** 25 teams are registered. Check in will be at the rear of the building instead of at the front as in previous years. Seven people plan to be there at 8:00 to help with set up and check in. Prizes this year are coming from the SVCC instead of Dick's. Discussion was held regarding using some of the proceeds from this year's golf tournament to pay for the cabinetry being installed which will house memorabilia from the past to help show the history of the school district. Motion was made by Sue Herrold and seconded by Shawn Felty to designate proceeds from the 2026 Golf Tournament to cover the cost of the installation of the memorabilia cabinets in the alcoves adjacent to the Media Center.
